NOTE: 5th Grade Boys and 6th Grade Girls tournament champs will be determined by win/loss records. Should there be multiple teams with the same overall record, ties will be broken first by total points scored, then by fewest points allowed.

6th and 7th Grade Boys teams are divided into two 3-team flights. The winner of each flight will be determined in the same manner as the 5th Grade Boys tournament champs. Flight winners will play each other for the 6th and 7th grade championship in games 26 and 32 respectively.

After Game 25, the five 8th Grade Boys teams will be seeded 1-5, with primary criteria being based on win/loss record and, then points scored, then points allowed. The top four teams will play each other in games 29 and 30, with the winners advancing to the tournament championship (Game 31)
