WHAT YOU MISSED IF YOU WERE ABSENT

Robin Edgar led us in a discussion regarding programs for the next several months.

Many good ideas came from the club members. It is well known that the quality of programs is directly related to attendance and participation in club activities.

Thanks to the program committee for keeping us up to date on issues by providing weekly programs. This is not an easy task. Think about it!

At least 825 programs have been presented since our club was chartered.

Our Student of the Month, Ashley, gave up sleeping in, to attend her last meeting. Talk about commitment.

From the R I Web Site

In a farewell address on 11 December, outgoing United Nations Secretary-General Kofi Annan cited Rotary International as an example of a private organization or nonstate actor whose partnership with public agencies helps achieve major social goals.

Speaking at the Truman Presidential Museum and Library in Independence, Missouri, USA, Annan said the “wonderful partnership between the UN family, the U.S. Centers for Disease Control [and Prevention] and, crucially, Rotary International” is close to eradicating polio worldwide.
