## WHAT YOU MISSED IF YOU WERE ABSENT

Ted Crawford provided an engaging presentation with respect to achieving excellence with several key points.

The main secret to your success-- what's inside your mind? The law of compensation dictates that we will never earn more than we are able to contribute. He made it clear that we are masters of our own destiny and we have the choice daily to do our best at whatever we do.

Be prepared and stay persistent. You will always perform in life to the degree that you expect from yourself.

Thanks Ted for another good presentation!
