WHAT YOU MISSED IF YOU WERE ABSENT

Barb Kellog and Pat Dixon presented the program describing the **Mission Health** program.

This preventative health initiative is funded by Trinity Lutheran Church and St. Joseph Catholic Church. Each church has pledged \$3000. Additional support is provided by Mercy Medical Center – North Iowa by way of reduced fees for services within their organization.

This program is available to employed persons with no insurance. A loan of up to \$500 is made from the fund, and can be used to pay down the cost of medical services received by the client. Repayment is made based on a schedule that is agreed to by all parties.

The hope is that access to preventative and primary health care, will reduce the possibility of more serious and costly care at a later date.
