WHAT YOU MISSED *IF ABSENT*

OUR PROGRAM

Al Larson, owner of Larson Contracting, with offices in Lake Mills and Albert Lea was our guest speaker.

His company was the Construction Manager for the recent ABC Television program “Extreme Makeover” project completed in rural Albert Lea, MN.

The family that received the new home was chosen from thousands of applicants.

With only 106 hours allotted to build the new home, Al and his team completed the entire project in 98 hours.

All donated materials and furnishings were solicited from around the area, including Winnebago Ind., Pella Windows, Butler Roofing, among others, with cash donations coming from a group of area lawyers, and realtors.

The family was away from the home site while the construction was in progress, and was totally overwhelmed when they arrived back to their new home.

It was clear that while Larson Contracting contributed value in the neighborhood of \$75,000, Al was more that satisfied with his investment.
