## **WHAT YOU MISSED IF YOU WERE ABSENT**

Randy Cram, a member of the Mason City Noon Rotary Club, told of his experiences as he traveled to Toga, to repair water wells in that African State.

Randy's son, a peace corps volunteer is stationed in this region and was helpful in arranging for the trip. Dr. Sam Hunt from Mason City also was part of the team.

Randy was able to secure Rotary Foundation Funds to help pay for the well replacement parts. This is just one example of how your Foundation Contribution really can make a difference in the world.

Rotarians, teaming with the Peace Corps, and a world wide clean water organization took the power of one (Randy) and multiplied it in to a team that saw a need, and attacked it with vigor!

Thanks to Randy, Dr. Hunt, and all others who believe in:
