## **WHAT YOU MISSED**

### ***If you were absent***

Karen Forthman, Daughter – in-law of Linda, presented the Kids Against Hunger, Program.

This program is designed to feed children around the world. That includes those living in the United States, as well.

Sadly, 18,000 children die from hunger each day. But Karen with the help of many others, believe there is something that can be done about that.

Kids Against Hunger is the organization that prepares and distributes bags of food containing nutritious vitamins and minerals promoting good health.

One bag costs about \$1.50, and contains enough food for 6 meals.

On May 3<sup>rd</sup> Karen and her volunteers will be filling bags that will be distributed through the network. They are hoping to attract 4-500 volunteers for the

day. Each shift is 2 hours in length, and the goal is to complete 35,000 food bags during the day.

If you cannot be part of the packaging day, cash donations area accepted.
