## WHAT YOU MISSED IF YOU WERE ABSENT

Four staff members from Comprehensive Systems presented an informational program regarding the services provided by their organization. Their particular expertise is serving disadvantaged children as young as a year or less.

Jack Brown, Herman Meyer, Mary Pat Cole, and Connie Cicetti, were presenters.

We have heard from other similar organizations and it was good to learn the various service organizations of this type work well together.

Comp Systems has recently moved their headquarters to Mason City, occupying the empty Welborn Industries Building in the Industrial Park. Many of their clients are in the Cedar Falls area, with the area surrounding Mason City becoming more intensive in services.

Both Jack and Herman have a history in Rotary, with Herman currently serving the New Hampton Rotary club as its' President.

Each Sunrise member was provided a company brochure that further describes their services.

**Congratulations for our best week of Raffle Tix sales. The bad news is that we need to do even better! Robin E. says wearing the "Buttons" works! Maybe we should all try that. Several opportunities are available each week to man a table at high traffic areas over the weekends. Let's all pull together to make this happen...**

See Lynn Ptacek or Ruth Miller for nomination forms for the annual Vocational Service award.
