PROGRAM

Liz Austin and the Directors of the 3 **Charlie Brown** North Iowa Preschool and Child Care Centers, presented out program this morning.

Celebrating 40 years of service, the center serves children from infancy to grades 6-7.

As a state licensed facility the staff includes Master Degreed members, and many others with 4 year college degrees.

Governed by a Board of Directors the operations of the centers strive to exceed policies and procedures required by the State.

The goal of the centers is to *provide a safe, stable and stimulating environment for children to learn and grow through Creative Curriculum.*

A mildly ill caring center is available in each center to tend to children needing such care, while parents are able to go to work rather than have to stay at home with a sick child.
