WHAT YOU MISSED IF YOU WERE ABSENT

Renee Bartling, Landfill of North Iowa, Education Coordinator spoke to us regarding the activities at the Landfill

We learned the landfill accepts many items including Solid Waste, Yard Waste, Tires and Household Hazardous Waste.

This landfill serves the North Iowa area, including Clear Lake, Ventura, and Northwood among several other towns as well as rural Franklin County. 70,000 people form the customer base.

The highly regulated facility has room for another 50 years of use on the 300+ acre area.

A new hazardous waste storage building is being built that will greatly enhance the ability to receive and sort things like paint and other similar materials.

The landfill offers free compost and wood chips for the public usage.
