**Teresa Symens County Health Dept**

Thursday's program was arranged  
by **Shelly Schmit** and presented by  
**Teresa Symens**.

Teresa is a veteran employee in the  
Health Dept, has served in several  
roles, using her Registered Nurse's  
credentials.

Her topic concerned "Childhood  
Lead Poisoning"

Because Iowa has a large number of  
older homes (pre 1950) the state has  
4 times the national incidence of  
child lead poisoning.

Pre school health exams now  
include testing for lead poisoning.

Lead based paint is the leading risk.  
With over 44% of the houses in  
Cerro Gordo County built before  
1950, one can understand the  
exposure our children face. The  
unfortunate fact is that once  
neurological damage occurs, it is  
irreversible.

Homes can be inspected for hazard  
and correction orders issued.

Contact the Health Dept  
421-9324 for further information
