###

**Cal Dickson** filled in at the last moment, as our program. He presented a very informative DVD narrative that described the evolution of farming techniques during the past 100 year.

Cal is an employee of **Hertz Farm Management** and is well positioned to discuss farming of yesterday as well as the process as we know it today.

Fewer farms, with those remaining being considerably larger, clearly tell the story of the dramatic change in the rural life style.

**Richard (Dick) Moeller will be installed as District Governor June 28th, in Waverly, Iowa.**
