## WHAT YOU MISSED IF YOU WERE ABSENT

Dave Cicetti, Alternative High School Principal, and recent graduate Michelle Meyering spoke regarding the success this Mason City Schools program continues to demonstrate.

The Alternative High School was begun in 1975. It is a program primarily for Junior and Senior students that could be described as out of the mainstream when it comes to educational opportunities. These students must complete the same graduation credits as those in the regular classrooms.

The 2006 Alternative High School class graduated 27, which is a typical sized class.

Michelle was selected to receive a \$1000.00 college scholarship funded by our club, from last year's raffle proceeds. Michelle will be attending NIACC for 2 years and then transferring to a 4 year college to complete her training to become a CPA.

Robin Edgar attended the graduation ceremony and presented the scholarship to Michelle.
