At the close of the Auction it was announced the proceeds were to be donated to John, to aide is his flood recovery. Your will have to picture in your own mind the total surprise that overwhelmed him as the presentation was made.

R I President D K Lee was asked:

What inspired your choice of *Make Dreams Real* as the RI theme?

Part of why Rotary is so exciting for me is that we are able to do more through Rotary than we could do alone. We can do more as a club than we could as an individual, we can do more as a district than we could do as a club, and when you look at all of global Rotary, you can really dream big dreams. No one individual or even one government, no matter how powerful, could have done what we have done in polio eradication. In this year, my dream is that together we will be able to save the lives of children. That is my own dream. Part of that dream is knowing that children will be able to survive, to grow up healthy, to have better chances, to be able to see their own dreams become real in their lives.
