Naomi Bienfang

Naomi Bienfang, C G County Dept of Public Health, CARE project coordinator, spoke to our club regarding the Community Action for a Renewed Environment program. "CARE"

This program is designed to help communities work at the local level to address the risks from multiple sources of toxic pollutants in their environment.

CARE is collaboration in action

CARE is Stewardship in action

Care brings EPA & local Communities Together.

Naomi encourages us to complete a community survey that can be found on line at:

www.cghealth.com

She also requested we tell our friends and associates about the survey so they too can complete the CARE project survey.
