WHAT YOU MISSED *If you were absent*

The Club Board of Directors has been confirmed and is shown in the footer of this page.

The Board held its' planning retreat and President Gary has shared his 5 point vision for the coming Rotary year.

1. Position our club as the first thought when considering the service club in the community that best demonstrates community service.
2. Use the media to publicize club activities and accomplishments
3. Lead the District in % of membership growth. Our target is to grow to 35 active members.
4. Assure that all members are involved in community service projects.
5. Increase our International Service presence.

Membership Month

Let's have every member try to bring at least one guest to a meeting this month or during September. You were invited to a club meeting and it was through that invitation you were eventually invited to join Rotary. If you enjoy the Rotary experience, shouldn't you share that pleasure with a friend or business associate?

The club's membership committee is forming the framework for member recruiting, but each of us has the responsibility to **ASK** a friend to join us for a meeting. We are working hard to have meaningful programs which will encourage a person to accept your invitation.
