## **Rotary Foundation Minute #3**

Today's Rotary's Foundation Minute is provided as a reminder to ALL of us that the Foundation is the primary way in which we are involved in the 4<sup>th</sup> avenue of service —  
International Service.

Since it's beginning in 1917 with a contribution of \$26.50, the Rotary Foundation has received in excess of \$1.6 billion. More than 25% of this total has been applied directly to the eradication of polio around the globe. The original campaign took place in mid-1980. With the partnership of the United Nations, World Health Organization, UNICEF, and the Gates Foundation, Rotary has successfully eradicated polio from 99.9% of the world -the dangerous one-tenth that remains is now the final goal of this greatest of all humanitarian projects.
