WHAT YOU MISSED IF YOU WERE ABSENT

Rotary on the road took us to the Lehigh Cement Plant. Pix on Pg. 3.

Hosted by Gerry McKervery and Tom O'Neil we learned the difference between Cement and Concrete!

Access to key raw materials is why 2 large cement plants are located in Mason City.

With 137 employees the plant proudly acknowledges 1437 days without serious injury.

Lehigh began operations in 1911, and are now owed by the German company Heidelberg Cement Group

Lehigh used various fuel sources to heat its' rotating kiln, including Natural Gas, Coal, and yes out of date seed corn.

Thanks, Gerry for inviting us to tour the plant.

Rotary Foundation Minute

Today's Rotary Foundation Minute is provided as a reminder to ALL of us that the Foundation is the primary way in which we are involved in the 4th avenue of service - International Service.

The Rotary Foundation provides more money for scholarships than the Rhodes and Fulbright programs combined! Scholars study in a country other than their own where they serve as "ambassadors of good will." Since 1947, nearly 38,000

scholars from some 110 countries have received scholarships at a cost of more than \$446 million. These scholars gain not only a priceless education, but in that process, help break down the barriers that exist between nations.

Sue Followwill reported on the Raffle Dollars disbursement.

NIACC	\$1000.00	GED Scholarships
M C Alternative High School	\$1000.00	Student Scholarship (s)
CASA	\$1000.00	Recruit & Train New Volunteers
Newman Library	\$1000.00	2 Projects
M C Youth Task Force	\$1000.00	“Youth at work Program”

Also, \$1000.00 was contributed to the Guatemala San Juan Bautista Hospital from Club Reserves
