Melissa Schoneberg, Director of the North Iowa Habitat for Humanity organization presented out program.

Founded by Millard and Linda Fuller, Habitat has constructed 250,000 homes, world wide. The N. Iowa Affiliate was formed in 1993 with their 30th home being dedicated on May 30, 2008.

The organization has a motto of “Everyone deserves a decent place to Live”

Habitat families are required to provide at least 250 hours of sweat equity, and be capable of making monthly mortgage payments.

Community volunteers are always needed and welcomed. No specific constructions skills are required. There is something that everyone can contribute to the build.

Habitat recently opened a store that sells new and gently used building materials with all proceeds used to support the work of Habitat for Humanity. Known as “ReStore” it is located off South Taft Avenue on Commercial Park. Humanities office is also located at that address.
