Club members joined the Chamber of Commerce special presentation held at the MacNider Museum, presented by Karen Elzey from the National Chamber office in Washington D C.

Karen assisted by Rosemary Lahasky, spoke regarding recent evaluation of the nations K-12 school performance.

We were disturbed to learn that the U S ranks well below the midpoint in achievement and District performance when compared to the rest of the world.

While Iowa fared somewhat better, we still have room for improvement.

Iowa received no "A's" several "B's & C's", and the dreaded "D" showed up in two of the charted categories.
