WHAT YOU MISSED IF YOU WERE ABSENT

Dave Cicetti, principal at the Mason City Alternative School, described the function of the Alternative High School. This program designed to graduate students who might otherwise drop out of school with a diploma. Sunrise Rotary donated \$1000.00 to the Alternative School Scholarship fund for use by graduating seniors for college expenses as they continue their educations in a post secondary setting. The graduation ceremony held in the spring of 2006 will be the setting for the awards, and members of our club are all invited to participate by attending.

Mason City Schools Superintendent Keith Sersland, was also present, and was given a check for \$1000.00 that was designated to purchase as many as 3 room amplifier systems. These wireless units allow instructors to speak in a normal voice but be heard throughout the classroom. This is the second time we have supported the purchase of this type equipment.
